SARAH-JANE HICKS, DESIGNER

"Welcome to our new crochet series! Over the next three issues, I share easy-to-make doll's house furniture, utterly perfect for any little'uns in your life. First up is the living room, and the Aurora kit makes for the best combination – our grey yarn imitates a TV screen, while the ombré wool creates a dreamy circular rug. And don't forget to use your bonus scrap yarns to add finishing touches throughout."
